8. Thoughts on the proposal - part 1 (optional)

The first question asks...**'What do you think about the proposal to offer 1+ cycles to everyone across Greater Manchester?'**

Was there a consensus and if so what was this?

If not, how did the groups views differ?

9. Thoughts on the proposal - part 2 (optional)

The second part of the question they felt this way?

Consider...

What was good about the proposal?

What was bad about the proposal?

How strong was the feeling in the group?

10. Applying any change fairly (optional)

This question relating to **'who any new policy should be applied to?'**

People will be at different stages in their IVF journey, therefore at they think people should continue and receive an additional cycle?

Consider...

- What is the fairest way to apply the policy?
- What factors are influencing your decision/thinking?

This might cause a split or all participants might form a consensus, please describe...

11. Is there anything else you think we should know or think about? (optional)

Consider...

Is there any reason these proposals might impact you, a person or community more than another?

Are there any other options you think we should consider that we haven't?

Skip this question if you didn't get any feedback on this.

12. As a facilitator of the discussion would you like to share anything? (optional)

This is your opportunity to share any reflections on the consultation, the group or your own thoughts and feelings.
